God's Work, Our Hands

July 16, 2018

Members of St. Paul Lutheran Church,

The plan for the St. Paul Lutheran Church Prayer Garden, approved at the annual meeting, is underway! The garden will be located outside the Parlor and Friendship Room windows and will have a water feature, landscaping, and a brick walk, all designed to be a peaceful place. Church members, as well as others, may purchase bricks to place in the walk "in memory of" as well as "in honor of" their loved ones. The price is \$100 per brick. **Fifty percent of the initial sale of the bricks will be given to the Second Chance Building Fund.** The remainder will be placed in the St. Paul Lutheran Prayer Garden Memorial Fund. This fund will be used for maintenance and possible future expansion of the garden.

The goal for completion of construction of the Prayer Garden is November 2018. **Pre-construction sale of engraved bricks will end September 15.** Bricks will be ordered and placed in the walk as soon as it is constructed. The remainder of the brick walk area will be filled with blank bricks, then replaced with engraved bricks as they are ordered. Please see any Prayer Garden Committee member for help with placing your order.

Enclosed is an order form. Completed forms with payment should be dropped off at the church office. Additional forms will be available in the Narthex and the church office. A sample of the brick will be displayed in the Narthex, with additional information about the prayer garden.

We are excited to complete the prayer garden and we anticipate benefits for all members of the congregation. Please feel free to contact any member of the committee with any questions.

Blessings, the Prayer Garden Committee
